Out of Stock Purchase/Leases

Eligible Vehicles purchased or leased from a General Motors dealer's retail inventory (out-of-stock) will qualify for Competitive Assistance (unless otherwise specified) only once the attached "CAP Out of Stock Purchase Agreement" form is completed by the applicable dealer and PROTRADENET LLC (or its authorized Fleet Management Company).

PROTRADENET LLC's purchases/leases of out-of-stock General Motors vehicles using retail or other fleet incentives will not be eligible for Competitive Assistance, but such purchases/leases of those out-of-stock General Motors vehicles will still count toward attainment of the volume requirement provided that PROTRADENET LLC complies with all other terms of the Agreement. Such purchases/leases must be reported as fleet deliveries even if retail incentives are claimed. Eligible Vehicles ordered with processing code KHC cannot be converted to out-of-stock purchases/leases and are not eligible for retail or other fleet incentives.

Price Protection

General Motors will provide PROTRADENET LLC with price protection for 2022 model year Eligible Vehicles at introductory prices. Price protection pertains to ordered and dealer stock units. The price protection offered by General Motors applies to price increases based on economics and destination and freight charges. The price protection offered by General Motors excludes vehicle price increases made necessary due to equipment adjustments, government-mandated equipment and emission changes, optional equipment made standard, mid-cycle enhancements, and vehicle design changes, all as defined and valued by General Motors.

Vehicle Pricing

If the dealer invoice price of a comparably equipped Eligible Vehicle is reduced during the term of this Agreement, General Motors reserves the right to reduce Competitive Assistance allowances by the amount of the dealer invoice price reduction.

Powertrain Warranty

Chevrolet/GMC vehicles purchased under this Agreement with Delivery Types: 014 Fleet Leasing Company Purchase or 035 Business Organization Fleet Purchase are covered by a Limited Powertrain Warranty of 5 years or 100,000 miles, whichever comes first.

Buick vehicles purchased under this Agreement with Delivery Types: 014 Fleet Leasing Company Purchase or 035 Business Organization Fleet Purchase are covered by a Limited Powertrain Warranty of 5 years or 60,000 miles, whichever comes first.

Cadillac vehicles purchased under this Agreement with Delivery Types: 014 Fleet Leasing Company Purchase or 035 Business Organization Fleet Purchase are covered by a Limited Powertrain Warranty of 6 years or 70,000 miles, whichever comes first.

Please refer to the vehicle Warranty Booklet or contact your GM Fleet Account Executive for important details and limitations.
